EXECUTIVE SESSION:

V.

**OLD BUSINESS: SEPTIC SYSTEM/WELL
ROAD MAINTENANCE
SPECIAL TOWN MEETING**

The septic system is acting up again. Black Label Plumbing came Monday July 27th. A powered snake was used and a restriction in the 4" line under the boiler room was found. They are going to install a better coupling between cast pipe and PVC at the edge of the building.

The board discussed the need for a special town meeting to appropriate a sum of money to replace the septic system and well at the Municipal Building. The money will come from the capital reserve account.

Also, an article for the town meeting requests authorization for the selectboard to close town roads to winter maintenance.

A town meeting is set for Monday August, 10th at 6:00pm at the Municipal Building.
